

EKF Services • Custom Specific Board Design & Manufacturing

Built to Reliability and Ruggedness

Custom Specific PCB Schematics & Layout High Speed Signals Design by Competence: EKF

„Mentor Expedition’ Based Board Design

Custom Specific CPU & FPGA Based Solutions

Intel® IOTG Series Processors for Industrial and Embedded

Altera (Intel®) & Lattice FPGA

Custom Specific Functions

I/O & Storage

Built to Reliability and Ruggedness

Why Choose EKF as Your Solutions Partner?

Thermal design & verification

AOI

X-Ray

Custom specific manufacturing

ESD & regulatory verification

Made in Germany by EKF

More than 30 Years Experience in SMD Processing

Proven SMD technology from 0201 to large BGA components

Made in Germany by EKF

Designed & Manufactured In Germany • ISO 9000 Certified Quality Management

Made in Germany by EKF

Impressions from our Manufacture

Made in Germany by EKF

EMC Compliance & Climate Chamber Test

High Performance Embedded Made in Germany

Built to Custom:

boards. systems. solutions.
